#### 5. GENERAL RULE:

a. All Area II members currently housed in Government-owned and Government-operated (GOGO) or Contractor-owned and Contractor-operated (COCO) leased housing are considered adequately housed for the remainder of their tour once they have accepted a set of quarters. Members may be authorized to move to a larger unit in their grade category due to an increase in family composition or promotion. **Note: Members must have at least 12 months remaining on station and moves to larger quarters will be at the member's expense, to include restoration of the occupied unit.**

b. If members decline any offer for on-post quarters or during their occupancy of Government quarters decide to move off-post, members will not be authorized to occupy Government quarters for the remainder of the service member's tour.

#### 6. APPLICATION AND ASSIGNMENT POLICIES: The following housing assignment priorities apply:

a. Priority 1a. Key Billet (KB) Commanders and Command Sergeants Major at Battalion level or above.

b. Priority 1b. Service members occupying Key Billet (KB) or Key and Essential (K&E) civilian billet positions within the designated housing category not residing on post in permanent or temporary housing and/or members directed to be assigned or relocated to larger quarters by order of the Commander for hardship or mission essential reasons. This applies to all grade categories E1 through O6.

**own expense if the member occupied the unit for twenty (20) months or less. This is in addition to assessed non-fair wear and tear damages.**

7. HOUSING WAITING LISTS. Housing waiting lists will be established to accommodate the above policy. Individual members are placed on the waiting list for their grade category and bedroom requirement (one bedroom per child).

8. ELIGIBILITY DATE: All members will be placed on the housing waiting list in accordance with (IAW) provisions of AR 210-50. If a tie occurs based on rank, then date of rank applies; placement on the waiting list will be established by the date and time of member's application at the housing office.

9. ASSIGNMENT OF SGM: SGM are expected to be housed on South Post in housing areas designated for their rank. Application for and assignment to Hannam Village for SGM will only be considered on a case-by-case and as-needed basis. Declination of a bona fide housing offer in Hannam Village will not impact on the member's position on the waiting list for South Post housing. Any SGM assignment to Hannam Village will be considered for the remainder of their tour and will not be considered as temporary quarters until South Post E9 quarters become available.

10. TURN-DOWNS: Any turn-down of a bona fide offer of GOGO or COCO leased housing within the member's bedroom entitlement will be managed IAW AR 210-50 and the Housing Division's SOPs.

11. HOUSING OF CIVILIAN EMPLOYEES: US civilian personnel employed by Area II may be housed at Hannam Village when applicable waiting lists in all categories have been exhausted or as needed by the Area II Commander. Assignments will be subject to either surrender of Living Quarters Allowance (LQA) or rental charge determined by the Area II Housing Office. Occupants are subject to vacating assigned quarters with a 60-day notice when quarters are required for military necessity as determined by the Commander.

12. Point of contact for this policy is the Chief, Housing Division, 738-7531.
